Donning, Working in, and Doffing Personal Protective Equipment

Discipline: Hazmat – Operations Level

Effective: 3/5/2011

Revised:

Replaces:

Anne Huff, Fire Chief

I. Objective

Given the personal protective equipment provided, the operations level responder shall demonstrate the ability to don, work in, and doff the equipment provided to support mission-specific tasks and shall meet the following requirements:

- A. Describe at least three safety procedures for personnel wearing protective clothing.
- B. Describe at least three emergency procedures for personnel wearing protective clothing.
- C. Demonstrate the ability to don, work in, and doff personal protective equipment provided.
- D. Describe the maintenance, testing, inspection, storage, and documentation procedures for personal protective equipment provided according to the manufacturer's specifications and recommendations.

II. Instructions – Procedures for Achieving the Objective

Given the personal protective equipment provided, you shall perform the following tasks:

- A. Describe at least three safety procedures for personnel wearing protective clothing.
- B. Describe at least three emergency procedures for personnel wearing protective clothing.
- C. Demonstrate the ability to don, work in, and doff personal protective equipment provided.
- D. Describe the maintenance, testing, inspection, storage, and documentation procedures for personal protective equipment provided by the department according to the manufacturer's specifications and recommendations.

You will begin on my instruction to start. The skill will end when you state to me that you have completed all of the identified steps. Do you understand these instructions?

III. Examiner's Note

The responder will not be allowed to review the performance steps at the time of testing.

IV. Preparation & Equipment

- A. Personal protective equipment provided
- B. Structural firefighter protective clothing
- C. Splash protective chemical clothing/equipment
- D. Positive pressure self contained breathing apparatus

E. Air purifying respirators

V. Reference Sources

See Reference Sources in PB 406.02A.
